

ENVIRONMENTAL OBJECTIVES 2026-2027

The following measurable Environmental Objectives have been set for 2026-2027. All are compatible with the Environmental Policy and are based on the fiscal year:

1. Reduce Plastic Use in Products:

Transition eight plastic-based wipe products to plastic-free alternatives in line with NPD and change-control plans (Q3/Q4).

2. Implement the Carbon Reduction Plan:

Progress fleet decarbonisation by increasing %age of fully EV in the company fleet (Q4).

3. Expand Carbon Accounting Scope:

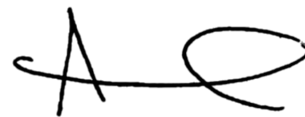

Advance alignment with future NHS Net Zero Supplier Roadmap requirements and work toward achieving NHS Evergreen Assessment – Maturity Level 2 by expanding carbon accounting beyond the five mandatory Scope 3 GHG emissions subsets to include all applicable categories, such as purchased goods and services, product end-of-life, product use (capital equipment), and investments (Q4).

4. Strengthen organisational competence to meet the revised ISO 14001 requirements:

Complete external ISO 14001 update training for QA team (Q3)
