IPC Hot Tips Competition Entry Form

Choose one of the competition entry categories listed below, and share your insights in a story or idea, whether in as few as 100 words or via a video submission.

Competition Entry Categories

- 1. Surface Decontamination:** Share your best practices and innovative methods for surface decontamination to help prevent the spread of infections in healthcare settings. This could include novel educational tools, unique access methods, or insights into facility policies.
- 2. Consumer Hand Hygiene:** Showcase creative approaches for promoting and monitoring patient and resident hand hygiene to reduce infections. Consider topics like improving access to hand hygiene products, education, or effective message dissemination.
- 3. AMR Management Strategies:** Present your initiatives to combat AMR and promote responsible disinfectant use in your healthcare facility. Share your strategies, experiences, and insights.

You can submit your nomination through your GAMA Healthcare Sales Manager or at gamahealthcare.com.au/stay-a-step-ahead. Entries close on **1 July 2024**, at **8pm (AEST)**. The winners will be announced on **31 July 2024** on GAMA Healthcare Australia's LinkedIn channel and will be contacted by GAMA Healthcare directly.
