

## Skin decolonisation simplified.

- ✓ Streamline steps
- ✓ Save time
- ✓ Reduce waste

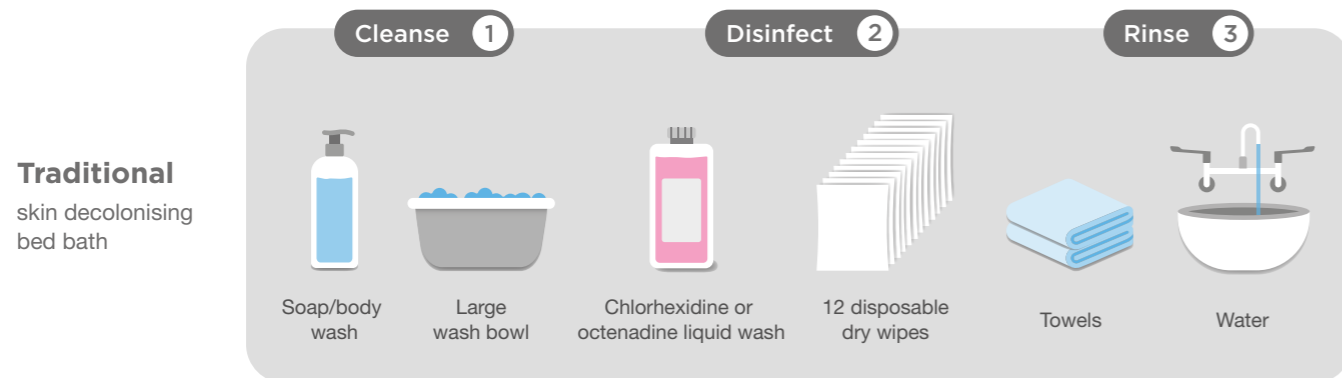

# Skin decolonisation from Clinell

## Global guidelines champion chlorhexidine for skin decolonisation<sup>1-5</sup>.

Chlorhexidine bathing is an evidenced protocol<sup>6-12</sup>, trusted to deliver effective results for daily and pre-admission skin decolonisation.

	Multidrug-resistant organisms (MDROs)	Surgical site infections (SSIs)	Catheter-related bloodstream infections (CRBSIs)	Central line-associated bloodstream infections (CLABSIs)
<b>Guidelines</b>	<ul style="list-style-type: none"> <li>✓ Joint Healthcare Infection Society (HIS) and Infection Prevention Society (IPS)<sup>5</sup></li> </ul>	<ul style="list-style-type: none"> <li>✓ NICE<sup>4</sup></li> <li>✓ WHO<sup>1</sup></li> </ul>	<ul style="list-style-type: none"> <li>✓ epic3<sup>3</sup></li> <li>✓ 'Guidelines for the prevention of intravascular catheter-related infections'<sup>12</sup></li> </ul>	<ul style="list-style-type: none"> <li>✓ epic3<sup>3</sup></li> <li>✗ Octenidine is proven not to reduce CLABSIs<sup>13</sup></li> </ul>

### Traditional methods take 1.4x as long<sup>14</sup>

# Streamline steps, reduce waste

## Simplify skin decolonisation with a compact 6 pack.

Effective against MDROs and ESKAPE organisms ✓

24 hour protection<sup>15,16</sup> ✓

Guaranteed 2% chlorhexidine dose every time ✓

No rinse step ✓

### 1 pack provides ample surface coverage for any body type<sup>17,18</sup>

## Use Clinell Chlorhexidine Wash Gloves for skin decolonisation

Product	Product code	NHSSC code
Clinell Chlorhexidine Wash Gloves (6)	CHGWGL6FF	MRB85014
Clinell Chlorhexidine Shampoo Cap	CHGSC1	VJT266

### Brought to you by GAMA Healthcare

As infection prevention specialists, we believe gold-standard protocols require innovative products and exceptional support. That's why we provide Clinell users with market-leading clinical training and education. Our team of experienced Clinical Educators can deliver bespoke training at the point of care to NHS Trusts and healthcare organisations.
