Easyclean Commode

The UK's number one infection prevention commode. Award-winning design. Quickly and easily dismantled for easy cleaning.

Easyclean Commode

Our unique, super hygienic, multi-functional commode.
It can be fully dismantled, making it simple and easy to clean.

Good Design Award

Due to its unique, superior design features, Clinell's Easyclean Commode has been awarded with the prestigious GOOD DESIGN™ award - the world's oldest, most recognised, annual Design Awards by The Chicago Athenaeum Museum of Architecture and Design*.

Multi-functional

Suitable for both pulp and plastic bedpans. Can also be used as a shower chair or over a toilet.

Easyclean

No screws, nuts or bolts and a smooth, curved, non-porous surface allows for better and easier cleaning, increasing compliance.

Safe and sanitary plastic seat

Latex-free seat cover, which sits flush within the seat, with no stitching or foam which guards against germ build up, allergies and is easy to clean.

Rotating, removable footrests

Rotate 360° so they can be turned out of the way for easy mounting or dismounting. Incorporates patented Clip & Slide mechanism for easy removal**.

Removable plastic bedpan rack

The fully removable rack allows for easy cleaning, over the toilet access and the insertion of top-loading pulp bedpans.

Hinged arm rests

Enables easy patient transferring and support handling. The arms lock securely when down.

Convenient seat storage

The seat cover can be neatly stored at the back of the commode.

Easy move lockable wheels

With patented EasyMove™ and TotalStop™ design***.

Durable, stainless steel frame

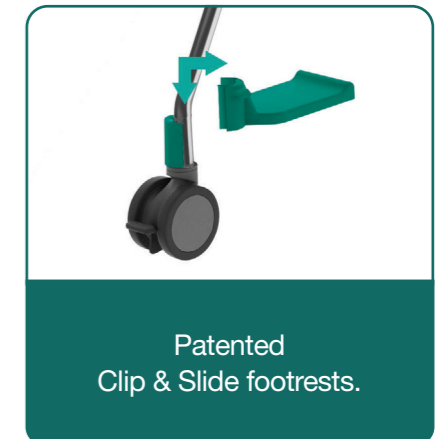

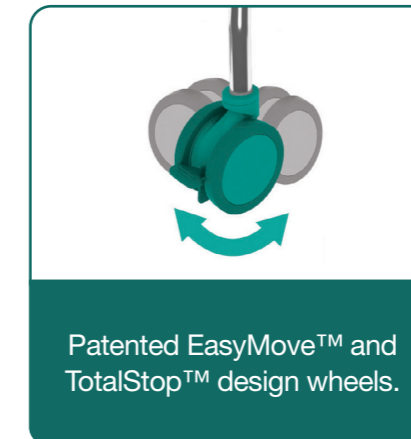

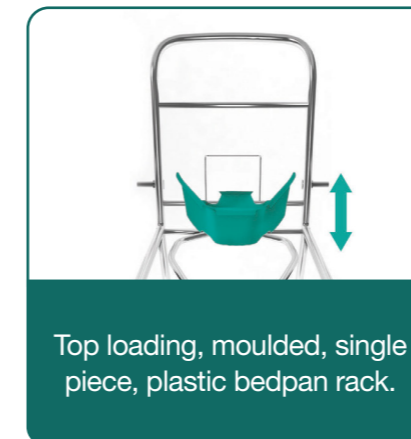

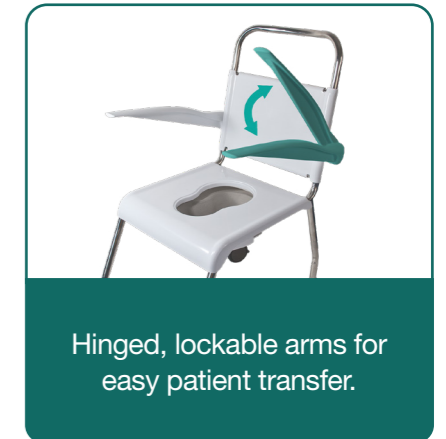

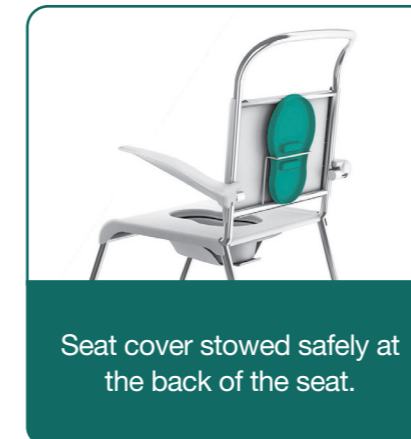

3-year frame warranty.

Non-stain plastic

Resistant to staining and chemical damage.

Minimalist design

This minimalist design reflects the latest thinking in infection prevention.
