Why Clinell Hand Wipes?

Top 10 messages

Compared to most hand cleansing wipes available to consumers, Clinell Hand Wipes are proven to kill 99.99% of bacteria and enveloped viruses.

Allergen-free and suitable for sensitive skin.

Supplied by the #1 Disinfectant Wipe supplier to the NHS and an industry leader in infection prevention products.

Product is stocked in shelf display box and packed individually for quick impulse purchases.

Effectively cleans and sanitises dirty hands for when soap and water aren't available.

Perfect for on-the-go use like using public transport, and fits perfectly in lunch boxes, gym bags and car glove compartments.

Accredited by the British Skin Foundation.

Clinell Hand Wipes have a shelf life of 2 years.

Skin neutral pH level for a mild and gentle formulation.

As part of our ISO 14001 environmental management system we aim to reduce wastage in our product.

Use biocides safely. Always read the label and product information before use.
